Thursday March 8, 2007, 20:00 (doors open at 19:30) Suggested donation: 10 to 15 Euro

“Sharon Bousquet does everything with sultry grace... She has considerable prowess on the acoustic guitar, yet she puts her instrument down occasionally to belt out an electrifying a cappella number like the gospel-tinged "Temple." Bousquet has the substance to rise to the top.”

Sharon will also give a workshop called “The Singing Body” on Saturday March 10.

**Robert Bekkers**, classical guitar, Utrecht

Claudia is a personal friend of ours (ever since playing at our first house concert last year.) She has an amazing sweet voice and is coming back this time with her friend Karyn. Judging from Karyn’s website, I expect we’ll hear more rock influences. Like Sharon, these women write most of their music themselves.
